

LETTER OF RECOMMENDATION

Date - 26/08/2026

To Whom It May Concern,

I am pleased to recommend **Jayasree M**, who successfully completed an internship as a **Data Analyst Intern** at RaushByte Technologies.

During the internship, she demonstrated a strong willingness to learn and apply data analytics concepts in practical scenarios. They worked on industry-oriented assignments and projects involving data cleaning, analysis, visualization, reporting, and data-driven insights.

Throughout the internship, she showed professionalism, dedication, analytical thinking, problem-solving ability, and a positive attitude toward learning. They actively participated in assigned tasks, responded well to feedback, and consistently worked toward improving their technical and professional skills.

Based on their performance and overall conduct during the internship, I am confident that she has the potential to contribute effectively to future academic and professional opportunities in Data Analytics and related fields.

We wish them continued success in their career and future endeavors.

With Regards,

Founder & CEO
RaushByte Technologies
